

Big Cats Tour

COLLECT at the CTICC

Get your roar on with the FIATA's Mascot Madness Tour! The claws come out in a big way as we encounter Cheetahs, Lions, Leopards, Caracal and Tigers.

First up, is a visit to the **Cheetah Outreach Project**. Take a stroll through the facility and come face to face with these magnificent cats. These nimble beasts are on the brink of extinction, and their fate is in our hands. Meet the Project's friendly feline ambassadors; Zsa Zsa, Savannah, Shan, Charlie, Kai and Shadow. **Stroke an adult cheetah or cuddle up with a cute little cub (optional)** while learning more about their lives, their habits and the dangers that face them.

Next we'll visit the **Vredenheim Wine Estate** to experience more than just their fine wines. Vredenheim's owners have a great passion for Felidae and opened a Big Cats Park in October 2011 to educate the public about these majestic animals. The Estate is home to 3 **Brown Lions**, 2 **White Lions**, 2 **Caracal**, 1 **Cheetah**, 1 **Leopard** and 2 **Bengal Tigers**. They provide a place of sanctuary for these beautiful creatures and the enclosures are large and spacious, offering each cat their own "creature comforts". Since they are wild, visitors are able to safely view them from behind enclosed fences or the viewing decks.

End the day with a **Wine Tasting** as you drink in the views, vistas and vines that produce these elegant wines; before clawing our way back to the city.
