

Cape Combo Tour – Cape Point & Winelands

COLLECT at the CTICC

For those who are hard pressed for time and only have one day to spare, this Tour gives you an opportunity to race through some of the main tourist attractions, giving you an overview of all that that Cape Town has to offer - So get your camera and sneakers ready!

Combining the Cape Peninsula and the Cape Winelands Tour, we'll start along the Atlantic seaboard, passing the pristine beaches of **Clifton and Camps Bay** which have been awarded Blue Flag status for its soft white sand and crystal blue waters.

We'll then head for spectacular **Cape Point** located in the **Cape Point Nature Reserve** which is one of the most famous landmarks in Cape Town, and for good reason. It lies at the very tip of the Peninsula and is flanked by the Indian Ocean on one side and the Atlantic Ocean on the other. It is the mythical meeting place of these two great oceans. The landscape with its rugged cliffs, lush Fynbos and vast open spaces is a sight to behold and is simply magical.

We'll then dash off to **Boulders Beach** to see the Jackass penguins up close in their natural habitat, before heading to the Cape Winelands Region.

We'll visit the **Stellenbosch Winelands** which offers superb scenery, quite different to the landscape of the Cape Peninsula. Here you'll enjoy some **Wine Tastings** paired with some fine cheese (optional), visit the historical town and drink in the sights, sounds and smells of nature's best.

We then head back to the city, after a jammed packed day of touring, tasting and tons of fun.
